

# EUROMOD UNLABELLED 3 PORT WALLPLATE >

The plastic flush mounted Italian wallplate is a low profile versatile wallplate which accommodates a variety of telecommunication outlets.

It accommodates up to three Shuttered Euromod modules which include a variety of UTP and STP modular jacks and fiber adapters, 25 x 50mm fully loaded with Euromod modules. The modules are based upon European standard dimensions of 50 x 25mm, and may be mixed as required for a true multimedia environment if so desired.

The polished face of these wallplates offers a quality finish, ideal for office installations.
