

Self Adhesive Cable Management Hub

molex

The Self Adhesive Cable Management Hub is designed to be installed as a whole unit or be segmented to allow cable routing as required by the installer. It can accommodate a number of cable diameters up to 4.5mm and is also stackable either as a whole or in segment, providing unparalleled flexibility.

Features and Advantages

Fibre pathway allows for easy storage of excess fibre and multi-directional routing of entry or exit fibres

Allows storage of fibre - 250µm, 900µm and up to 4.5mm

Maintains 30mm bend radius

Can be split into six separate segments

Clips together allowing multiple stacks to be formed

Mountable via holes or double sided foam adhesive pad

Specifications

Mechanical Characteristics

Material: ABS
Diameter: 90mm
Height: 20mm with Adhesive Pad
Shipping Weight: 22g
Color: Black
