Keystone Jack 1 & 2 Port Surface Mount Boxes >

The Molex range of unloaded Keystone Jack Surface Mount Boxes with sleek contours offers durable and aesthetically pleasing style for even the most contemporary office spaces.

The range provides simple, organized installation for the work area where surface mount is the only option, such as confined spaces. The product is compatible with Molex range of Keystone Jacks, C5e, C6 and C6A. The base is mounted with the screws provided. Keystone Jacks are fitted into the base of the box from the rear to reduce the risk of tampering, and the cable is secured to base using the cable tie off points provided. The design of the Snap-On cover is contoured for a sleek and contemporary appearance and includes a protected label window for clear port identification.
